**DECISION OF THE WESTLAND DISTRICT LICENSING COMMITTEE ON AN UNCONTESTED
APPLICATION**

Authority:

Pursuant to section 191(2) of the Sale and Supply of Alcohol Act 2012 and a Council resolution dated 28 November 2013, the functions, powers and duties of the Westland District Licensing Committee are delegated to the committee chairperson where no objection has been filed, and no matters of opposition have been raised by the Police, the Medical Officer of Health or an Inspector. There is no Local Alcohol Policy in place for the District.

Summary of Evidence

The complete file has been made available to me.

The applications are mostly clear and understandable. A Host Responsibility Policy is included. The applications clearly state that no changes are sought to the present conditions of the existing licences.

A report from the Inspector advises that the applicant is suitable to continue holding the licenses.

The Police have no objection to the renewal applications.

The Medical Officer of Health has no opposition to the renewal applications.

Evaluation of Evidence

I have considered the application on the basis of the uncontested reports received. The matter is able to be dealt with on the papers.

Bravo Twenty Twenty Limited is a New Zealand limited Company and can, accordingly hold an On-licence. The existing licenses are in the name of Bravo Twenty Twenty Limited although I have not been able to locate a previous decision relating to Bravo Twenty Twenty Limited but I have located a decision relating to an application by Hotel Harihari Limited. I have confidence in the District Council's administrative support staff and I have assumed that all is in order.

I am satisfied that there are no amenity and good order issues to consider. I am also satisfied that there are sufficient managers to adequately ensure compliance with the Act.

There are existing Designations that were put in place at the time of the grant of the licence. The Inspector has made clear recommendations as to designations and they vary from the original and are in line with the applicant's intent, notwithstanding that the application states that no changes to conditions are sought. I have not identified any reason to not adopt the Inspector's recommendations concerning designations and the extent of the licensed area.

The existing days and hours, Monday to Sunday from 10.00AM to 3.00AM the following day, of operation will continue for the On-licence. The Off-Licence hours will continue to be Monday to Friday from 10.00am to 11.00pm the same day.

The renewal application is accompanied by a Host Responsibility Policy which I think is appropriate for the nature of the premises which is a hotel that caters for different and varied users.

Decision and Reasons

I am satisfied as to those matters provided for in s.131 of the Act.

The applications are granted on the papers pursuant to s.202 (1) of the Act as Decision Numbers **034 and 035-2022** and I direct that renewed on-licence 56/ON/013/2021 and renewed off-licence 56/OFF/012/2021 be issued pursuant to s.64 of the Act.

The renewal is for a period of three years from the date of expiry and is subject to the following conditions:

The renewal is for a period of three years from the date of expiry and is subject to the existing terms and conditions with the exception of the following:
