- I understand that any false information given in this application may result in issue of an infringement fee of \$750**

Signature: _____

Date: ____/____/____

Ownership Criteria for Responsible Dog Owner Status

- A fenced area or kennel and enclosed run (tethers and electric pulse devices are not acceptable) where dogs can be securely contained when not under direct control is available on the property where the dog is kept.
- Dogs have been registered in accordance with The Dog Control Act 1996 during the previous two years.
- Dogs are microchipped (except working dogs).
- Dogs have not been found wandering or impounded during the previous two years.
- Owner has not received a late registration penalty, written warning, infringement, abatement notice or prosecution under The Dog Control Act 1996 or The Westland District Council Dog Control Bylaw during the previous two years.

A non-refundable fee of \$50.00 is payable on application.

Containment on the property at which dogs are usually kept will be physically inspected once application has been made and other ownership criteria verified.

Successful applicants will be eligible for rebated dog registration fees from the date of approval of their application – without need for further application and until such time as no dogs are currently owned or Responsible Dog Owner status is revoked by Council.

Before making application, dog owners are advised to check with Council to ensure dogs have not been found wandering or impounded and/or no late registration penalty, written warning, infringement, abatement notice or prosecution has been issued under The Dog Control Act 1996 or The Westland District Council Dog Control Bylaw during the previous two years.

Council will revoke Responsible Dog Owner status on any non-compliance with the above criteria.

Containment on the property has been inspected by Dog Control Officer _____ Date _____ Time _____

Approved: Yes No Reason not approved: _____
