**DECISION OF THE WESTLAND DISTRICT LICENSING COMMITTEE ON AN UNCONTESTED
APPLICATION**

Authority:

Pursuant to section 191(2) of the Sale and Supply of Alcohol Act 2012 and a Council resolution dated 28 November 2013, the functions, powers and duties of the Westland District Licensing Committee are delegated to the committee chairperson where no objection has been filed, and no matters of opposition have been raised by the Police, the Medical Officer of Health or an Inspector. There is no Local Alcohol Policy in place for the District.

Summary of Evidence

The complete file has been made available to me.

As is usual for the Scenic Circle entities the application is made with conviction and clarity.

A report from the Inspector advises that the premises have been operated in a responsible manner and the applicant is suitable to continue holding a licence,

The Police advise that there are no objections to the renewal application.

The Medical Officer of Health has no opposition to the renewal application.

Evaluation of Evidence

I have considered the application on the basis of the uncontested reports received. The matter is able to be dealt with on the papers.

The applicant is a New Zealand company and is able to continue to hold licences.

The applications do not request any change to the current conditions on the licenses. I have not identified any amenity and good order issues.

The applications include a Host Responsibility Policy which seems to me to be a strong statement as to how the applicant will go about providing an environment that is comfortable and welcoming and safe.

Decision and Reasons

I am satisfied as to those matters provided for in s.131 of the Act.

The application is granted on the papers pursuant to s.202 (1) of the Act as Decision Number **011-2021 and 012-2021** and I direct that renewed on-licence 56/ON/07/2018 and 56/OFF/011/2018 be issued pursuant to s.64 of the Act.
